INAS Japan

Dear Koichi

Following the decision of INAS Asia not to hold a Regional qualification event, the INAS Football Committee have recently revised the qualification policy for the 2018 World Football Championships in Sweden.

Based on your world ranking position, I am pleased to confirm the successful qualification of team Japan to compete in the championships next summer.

I would be grateful if you could confirm to me at the earliest opportunity your availability for the competition, and wish you every success in your preparations for the event.

Yours sincerely

John Ball
Chair – INAS Football Committee
